2022 TSC Sponsors

Kurt will be contacting our usual business partners for sponsorship in 2022. We would like to thank those who participated with us last year.

From the Pro Shop...

Important: We are looking for part time workers to fill positions on the golf course or clubhouse in 2022. Ideally, if you or someone you know has retired and would like to earn a few extra dollars during golf season call Kurt Balser or Jared Owens. Clubhouse phone is 812-663-2229. You can also message us on the GCC Facebook page.

From the Greens Committee...

Key Points:

- * Starting January 1st thru February 15th the pro shop and golf course will be closed if the temperature is under 40 degrees. Flags will be moved off the greens to the approach area and the tees will be on the back of the teeing ground. There will be a strictly enforced **cart path only** rule during this time as well. You must call the pro shop to see what the status of the course is. It might be above 40 but conditions may not allow for play.
- * Dead Ash trees will be removed starting this month and continuing until the project is complete.
- * We have started a winter equipment maintenance program.
- * Maurice is still working on our Lastech mower.
- * We will be separating green and white tees next season.
- * We had a discussion about Super Senior tee areas and will do some research.

Adopt A Hole Program for 2022

Members who would like to adopt a hole should contact **Keith Lake or Jason Gindling co- chairs of the Green's Committee**. Your participation will make a difference in how nice the course looks throughout the golfing season. Thank you to those who participate in this program. Contact Keith by email at klake124@fuse.net. Contact Jason by email at jasongindling@yahoo.com.

From the Golf Committee...

Tournaments (using a shotgun start) must have a minimum of 28 players to be considered viable to run. This does not include Night Golf or Crazy Golf tournaments.

Upcoming Tournaments:

We will be meeting to set up the tournament schedule for 2022.

From the Board...

Board Officers and Committee Chairs for 2022. (See below for 2022 officers). Greens Co-Chairs: Keith Lake & Jason Gindling, Golf Chair: Steven Dwenger, House Chair: Terry Alverson, Finance Chair: Phil Collins

Members who would like to be on a committee can contact any of the chairmen or Kurt.

Annual Meeting has been set for Friday, March 11, 2022 at 5:30. We will provide pizza from The Beach and cash bar will be open.

Pass this along to your friends. We have approved a new member promotion. To be eligible a person must not have been a member for the past 2 years. We are also trying something innovative, a subscription membership for young adults 30 and under. For \$160 a month a person can sign up and if he or she wants to discontinue their membership they just notify the office before the next billing period. Check our FB page for details or ask Kurt.

From the House...

We have installed new lighting in the main clubhouse and bar area. We have also fixed the wiring in the Mel Best room so you don't have to figure out which switch has to be on for another switch to work. Michael Johnston's crew has repaired our front door entry. Looks great. Plans are to utilize unused space in the clubhouse. The front area will be a conference center. Ann has really done a great job cleaning and decorating. Most on her own time. The men's bathroom has been repaired and painted. Also adding advertising to our front entry sign letting the public know we have space to rent.

Board of Directors:

Phil Collins - President

Terry Alverson - Vice President

Josh Schwering - Treasurer

Steve Dwenger - Secretary

Jason Gindling, Eddy Lee, Lou Caperoon, Keith Lake, Michael Johnston
