From the Greens Committee...

Key Points:

- * We plan to take dead trees out starting this month. First tree will be the one on 12 in front of the drop area.
- * Also on the schedule in the next week or two is solid tine punching the greens and treating the greens.
- * We are looking into adding some granular fertilizer to the fairways.
- * We plan to renovate a few sand bunkers. We are taking out 12 sand bunker and taking out the grass strip between bunkers on 7 and 16 making one big bunker on those holes.
- * Reseeding on 5 & 17 has been completed and results are good.
- * Continuing to monitor the drainage issue on 4.

Adopt A Hole Program for 2021

Members who would like to adopt a hole should contact **Keith Lake, Chairman of the Green's Committee**.
