From the Pro Shop...

Please welcome Beth (Alverson) Barstow to our staff in the clubhouse. Beth has graciously stepped in to fill the void left by Ann's passing and will be managing the kitchen operations. Please stop in and say hi! I am still looking for one more person to work inside the clubhouse.

New product is coming in everyday at the shop. The new TaylorMade Stealth clubs have already arrived and I should be getting the new products from Callaway any day now. If you're looking for a new golf bag I have some great looking ones from Datrek for \$199. I should be getting my new styles of shoes from FootJoy within the next two weeks. Stop in and see what's new for 2022!

There will be more emphasis on asking members to keep their carts on the path around the tees and greens this year and not parking on the grass. Please help us keep our course in top playing condition. We would also like our members to use the cart path going down and back up on hole 3 forward tee. Do not drive up the fairway or rough.

From the Greens Committee...

Key Points:

- * Maintenance on most of the course equipment has been completed. Jared has rebuilt the small Lastek.
- * 26 dead trees have been removed. Stumps are being cut down to ground level. Grinding them down soon.
- * Golf carts have been serviced by the leasing company and cleaned by our crew.
- * Reminder: This year we want carts on the cart path around all tees and greens. We are also asking that carts not be parked on the grass in those areas. We want carts to go down the cart path on hole 3 forward tee and back up the cart path. We do not want carts going up the fairway or rough.
- * We will be separating green and white tees where possible this season.
- * Irrigation will be primed by April 1st.
- * Deep Verti-Tine punching will take place on June 21st.
- * Key spray dates:

Adopt A Hole Program for 2022 (See page 6)

Members who would like to adopt a hole should contact **Keith Lake or Jason Gindling co- chairs of the Green's Committee**. Keith Lake, Hole 1, Bronco, Hole 7, Beth Barstow, Hole 9, Jeff McIntyre, Hole 10, Natalie Acra, Hole 13.

Your participation will make a difference in how nice the course looks throughout the golfing season. Thank you to those who participate in this program. Contact Keith by email at klake124@fuse.net. Contact Jason by email at jasongindling@yahoo.com.

From the Golf Committee...

Tournaments (using a shotgun start) must have a minimum of 28 players to be considered viable to run. This does not include Night Golf or Crazy Golf tournaments.

See page 4 for complete Tournament List.

Highlights for April:

Men's League starts April 20th and 21st.

Men's Opening Day is April 24th.

Ladies Opening Day is April 25th.

Make sure you check out the Junior Clinic this season. See Kurt or Jason Gindling for more

From the Board...

Check out our new website at www.greensburgcountryclub.com and remember to like our Facebook page.

The annual meeting was held March 11th.

Pass this along to your friends. We have approved a new member promotion. To be eligible a person must not have been a member for the past 2 years. We are also trying something innovative, a subscription membership for young adults 30 and under. For \$160 a month a person can sign up and if he or she wants to discontinue their membership they just notify the office before the next billing period. Check our FB page for details or ask Kurt.

From the House...

Interior of the club has been cleaned, wall between bar and lobby has been painted as well as the conference room wall. Furniture has been added to the lobby. Men's restroom has been painted and a new faucet has been installed.

We are looking at ways to provide select food from the kitchen this golf season. We have approved the purchase of a countertop mini fridge with a see through door where we will have a variety of wraps. The board has also approved Beth Barstow as kitchen manager to try offering more food options. We are also looking at starting a Supper Club where once a month we will have a nice sit down dinner. Stay tuned for more information. We will have sign up sheet for after league meals on Wednesday and Thursday. The first week of league will be hamburger with fresh bun and fresh cut fries. We are also looking into bringing back the \$1 drawing for league nights. Winning name takes all.

Color the Course

We would like to continue a volunteer program this year. Every tee has a planting bed. The idea would be for someone, or couple, to adopt one of those areas. You would furnish your own plants for the summer. Some planting beds are small, some are a medium size, and others are fairly large. All areas are within the irrigation system however there may be times additional water is needed.

If you are interested in volunteering for an area send Jason Gindling or me, Keith Lake an email. klake124@fuse.net or jasongindling@yahoo.com. Our goal is to have someone for each of the 18 holes.

If you are unable to adopt a planting area but would like to donate to help us purchase flowers fertilizer, and mulch drop us an email.
