## From the Pro Shop...

I would like to introduce the newest addition to my staff, Bill Todd. Bill just recently retired from UPS in Louisville but for years was the Golf Professional at Hidden Valley Country Club in Lawrenceburg, IN. He brings with him a lot of knowledge of the game and will be a great asset to my operation. Please stop in and welcome him!

I have finally received my demos from both TaylorMade and Callaway. Test them out and see why the TaylorMade Stealth and Callaway Rogue clubs are the hottest new clubs out on the market. Remember that you will always receive 10% off the price.

Special for May: All Bermuda Sands shirts - 20% off

**Please support your club by purchasing from us!**

# From the Greens Committee...

## Key Points:

- \* Maintenance on the course equipment has been completed. Jared has rebuilt the small Lastek.
- \* 26 dead trees have been removed. Stumps on 9 & 18 ground down.
- \* Golf carts have been serviced by the leasing company and cleaned by our crew.
- \* Reminder: This year we want carts on the cart path around all tees and greens. We are also asking that carts not be parked on the grass in those areas. We want carts to go down the cart path on hole 3 forward tee and back up the cart path. We do not want carts going up the fairway or rough.
- \* We will be separating green and white tees where possible this season.
- \* Irrigation has been primed and ready to put pressure into the system to check for leaks.
- \* Deep Verti-Tine punching will take place on June 21st.
- \* Maurice has fixed one Lastek and we are using it along with our Toro mower.
- \* We have a new (used) sprayer which is much more efficient.
- \* We have noticed a lot of ball marks not being repaired on the greens. Please fix yours and one other.

## **Adopt A Hole Program for 2022 (See page 6)**

Members who would like to adopt a hole should contact **Keith Lake or Jason Gindling co- chairs of the Green's Committee**. Keith Lake, Hole 1, Bronco, Hole 7, Beth Barstow, Hole 9, Jeff McIntyre, Hole 10, Natalie Acra, Hole 13.

Your participation will make a difference in how nice the course looks throughout the golfing season. Thank you to those who participate in this program. Contact Keith by email at [klake124@fuse.net](mailto:klake124@fuse.net). Contact Jason by email at [jasongindling@yahoo.com](mailto:jasongindling@yahoo.com).

# From the Golf Committee...

# From the Board...

Check out our new website at [www.greensburgcountryclub.com](http://www.greensburgcountryclub.com) and remember to like our Facebook page to keep informed on food specials and menus.

The financial stability of the club is continuing despite rising prices. We are trying our best to mitigate these costs by asking members to buy their golf supplies from us and eating at the club on your league nights. Currently our food and beverage revenue is exceeding our budget projections. We cannot emphasize enough how much we need your support to continue serving food from our kitchen.

# From the House...

Interior of the club has been cleaned, wall between bar and lobby has been painted as well as the conference room wall. Furniture has been added to the lobby. Men's restroom has been painted and a new faucet has been installed.

Many of you now know we have a countertop fridge in the snack bar. Beth has been stocking with fresh made wraps and sandwiches. They have been selling out and feedback has been positive. We have been hosting reservation-based dinners after Wednesday and Thursday leagues. We also have served the ladies league on Monday night. Beth has been doing an excellent job serving freshly made food and selling out.

You might notice on select occasions the check in process will be heading back to the pro shop. This will free up the snack computer for a quicker process.

## Color the Course

We would like to continue a volunteer program this year. Every tee has a planting bed. The idea would be for someone, or couple, to adopt one of those areas. You would furnish your own plants for the summer. Some planting beds are small, some are a medium size, and others are fairly large. All areas are within the irrigation system however there may be times additional water is needed.

If you are interested in volunteering for an area send Jason Gindling or me, Keith Lake an email. [klake124@fuse.net](mailto:klake124@fuse.net) or [jasongindling@yahoo.com](mailto:jasongindling@yahoo.com). Our goal is to have someone for each of the 18 holes.

If you are unable to adopt a planting area but would like to donate to help us purchase flowers fertilizer, and mulch drop us an email.
