From the Greens Committee...

Key Points:

- * We are in need of a utility cart so we are looking into what is available..
- * We are eliminating the back, middle, front hole locations to be more flexible with placements.
- * Cushman needs a carburetor. We are talking about options to fix or sell..
- * Reminder: This year we want carts on the cart path around all tees and greens. We are also asking that carts not be parked on the grass in those areas. We want carts to go down the cart path on hole 3 forward tee and back up the cart path. We do not want carts going up the fairway or rough.
- * Green and white tees have been separated where possible this season.
- * Deep Verti-Tine punching has been postponed due to the heat.
- * Maurice has fixed one Lastech and we are using it along with our Toro mower.
- * We have a new (used) sprayer which is much more efficient.
- * It takes 21 days for a ball mark to repair. Please fix your ball marks.
- * Pond Fountain on 16 is up and running.
- * We have pruned the roots of the Bald Cypress trees on 13. The roots were killing the green.

Adopt A Hole Program for 2022 (See page 6)

Members who would like to adopt a hole should contact **Keith Lake or Jason Gindling co- chairs of the Green's Committee**. Keith Lake, Hole 1, Bronco, Hole 7, Beth Barstow, Hole 9, Jeff McIntyre, Hole 10, Natalie Acra, Hole 13.

Your participation will make a difference in how nice the course looks throughout the golfing season. Thank you to those who participate in this program. Contact Keith by email at klake124@fuse.net. Contact Jason by email at jasongindling@yahoo.com.

From the Golf Committee...

Tournaments (using a shotgun start) must have a minimum of 28 players to be considered viable to run. This does not include Night Golf or Crazy Golf tournaments.

See page 4 for complete Tournament List.

From the Board...

Check out our new website at www.greensburgcountryclub.com and remember to like our Facebook page to keep informed on food specials and menus.

The financial stability of the club is positive despite rising prices. We are trying our best to mitigate these costs by asking members to buy their golf supplies from us and eating at the club. Currently our food and beverage revenue is exceeding our budget projections. We cannot emphasize enough how much we need your support to continue serving food from our kitchen.

From the House...

May sales were approximately \$3,000. \$1,000 was sandwich and wraps. Feedback has been very positive.

Beth has come up with a menu which features some of her favorites. Each week she will come up with a special to add to the section. Last week it was the Bogey Hoagie and it was a huge hit. Due to the popularity of the sandwiches and wraps it was suggested we have some made up and stored in the freezer so when we run out we can stock the countertop fridge.

You might notice on select occasions the check in process will be heading back to the pro shop. This will free up the snack computer for a quicker process.

Color the Course

We would like to continue a volunteer program this year. Every tee has a planting bed. The idea would be for someone, or couple, to adopt one of those areas. You would furnish your own plants for the summer. Some planting beds are small, some are a medium size, and others are fairly large. All areas are within the irrigation system however there may be times additional water is needed.

If you are interested in volunteering for an area send Jason Gindling or me, Keith Lake an email. klake124@fuse.net or jasongindling@yahoo.com. Our goal is to have someone for each of the 18 holes.

If you are unable to adopt a planting area but would like to donate to help us purchase flowers fertilizer, and mulch drop us an email.
