- **Part-time employee needed:**
 - 20-30 hours a week
 - The position will be for a pro shop/bar/clerical assistant.
 - Applicants must be 21 or older due to selling alcoholic beverages

From the Greens Committee...

- The staff has been going through all the equipment making sure everything is ready to go. They have also been cleaning all the carts for the start of the season.
- We continue to evaluate our irrigation system with special focus on the back nine and pump house. We are ready to start the season but are continuing to review potential options for improvements. We will share specific info if we plan to make any changes.
- **Please be on the lookout for communication from Kurt regarding specific dates for aeration, repairs, or other general awareness info as those dates firm up.**

From the Golf Committee...

We are going to employ a starter/ranger to help support pace of play and general rules enforcement.

As a reminder, here are our course rules and regulations:

1. All players must register in the golf shop before playing.
2. Players may play only one ball unless under the “provisional ball rule.”
3. All play must begin on #1 tee unless authorized by golf shop personnel.
4. No more than 2 persons per golf cart.
5. Minors are not permitted to operate rental carts unless authorized by golf shop personnel.
6. Keep golf carts off tees and at least 30 feet from greens.
7. Please help by replacing divots, repairing ball marks on the greens, and keeping trash off the course.
8. Proper attire must be worn at all times.
9. Please allow faster players to play through when possible.
10. Be ready to play when it's your turn and do so without delay.
11. Leave green as soon as your group has finished putting, mark your score on the next tee and remember to play without delay.
12. No beverages or coolers are allowed on premises unless provided by the clubhouse.

***Additional rules and reminders will be listed on the placards in each cart.**

Due to a lot of personal cart traffic and to help us identify people who drive out and play without paying, **we will be requiring members with personal carts to display their membership on the windshield of their carts.** Please pick up your cart identification marker from the pro shop. They will need to be displayed by May 1st.
