As we head into the start of the golf season, we look forward to keeping you informed, engaged, and part of all the exciting things happening at the club.

When you are at the club, stop in and say hello! Let us know what we can do better and share your thoughts.

Rebrand

We're excited to introduce our new name, Greensburg Golf Club, along with a refreshed logo and updated colors that reflect the energy and direction of our club. This rebranding marks more than a visual change; it represents the strong momentum we're building and our continued commitment to enhancing the member experience and the future of the club.

COMMITTEE UPDATES

Greens Committee

Pete Tressler (chairman), Eddy Lee, Rick Meyer, Joe Balsler

Green aeration is complete, thanks to the staff who helped get this done. Big shout-out to the guys!

There is a new sprinkler system on the front 9 that was put in service this week and after a few minor issues were taken care of all is working as expected.

Sand traps are raked and cleaned up for now. We will be getting new sand in May that will hopefully look and play better.

The cart path yardage markers were repainted.

The yellow tees on hole #14 to the bottom of the hill, left (west) of the cart path, are going to be relocated. This will add approximately 20 yards more.

We are getting ready to start painting several of the buildings on the course to create a new, consistent look and feel for the Greensburg Golf Club.

The Greens Committee would like to once again thank the grounds crew, maintenance staff, and golf club staff for their continued dedication and effort!

Golf Committee

Derek Fasnacht (chairman), Eddy Lee, Gary Bailey, Scott Dennett, Buck Gindling, Randy Domingo

The golf committee has been working hard to schedule tournaments for the upcoming season, along with creating opportunities for members to connect, compete, and enjoy everything our course has to offer.

We would like to thank Terry Alverson for his willingness to take on the task of scheduling and scoring for the Men's League.

REMINDER: Men's League starts this week!

Finance Committee

Trevor Foster (chairman), Tyler Ellinger, Scott Dennett

The Greensburg Golf Club has seen a terrific start to the 2026 season! Green fee and drink revenue have increased for the first quarter of 2026 compared to 2025. The interest in the 19th Hole Bar and Legacy Room has also picked up at the start of the year. Along with green fees, the club has seen an increase of 20+ memberships for 2026. For any members who still have dues remaining unpaid, please try to submit those as soon as possible. We look forward to continuing the great start to the year on both the course and in the clubhouse!

House Committee

Lou Capperoon (chairman), Andrea Dennett, Meredith Acra

The house committee has been working hard to update our clubhouse space and make it something we can all be proud of. Upon receipt of a 1,500.00 grant from Greensburg Decatur County Chamber of Commerce, Andrea went to work. With help from club members through donations, along with support from the board, she has been able to turn 1,500 dollars into much more!

With Lou's guidance, we have been able to make changes in our bar area and create new avenues to ensure its success. Shelving updated and replaced, glassware organization and consistency, LOTS of cleaning and scrubbing, along with disposal of outdated and excess items, have occurred over the winter months throughout the entire facility. We have repurposed and restructured many of our storage spaces, and it is a process that will continue!

The Women's Lounge, located downstairs, is a work in progress. We have repainted the bathroom area, and the vanity will be completed soon. More to come in updating that space!

All bathrooms upstairs have been updated with new wall paint, along with vanities painted, cleaned, and refreshed. These two restrooms are now unisex.

The dedicated Ann Alverson space will be a place for all to enjoy, especially our guests under 21. A new plaque will be displayed in this area to honor Ann and her contributions to the club.

Feel free to reach out to Lou, Andrea, or Meredith with any questions or suggestions.

Want to rent our beautiful new space? Call Meredith Acra on her direct line at (812) 663-6847. Share about all we are doing with your friends and family! They might want to check it out!

We are ready to kick off golf season with an addition to Wednesday nights! Come in to the 19th Hole Bar and enjoy 99-cent bone-in wings and domestic draft beer. Service will begin at 6:00 p.m.
